Update on Plans to Disclose Current Status on SEC Filings

This information and other additional information will enable the company to finalize an audit that has already started. The fact that we have posted three 8-K's in the last few weeks has generated awareness within regulators that we are going to become fully reporting soon. We will continue to acquire claims within the projects and extend our current positions within the areas of interest. We are also working on other acquisitions.

Once the company is Fully Audited, we will prepare and present a **S-1 Registration Statement** in order to up list our Securities. The company is in conversation with a Securities Lawyer and Special Consultant on how to better prepare this filing.

The Company hasn't diluted a single share. The company will make further

announcements on its other projects as progress is made.
